

## 9- CAN I PLACE ORDERS FROM THE WEB PAGE?

You can place orders from the web page, and you can also make pro forma invoices with no obligation for your client. All the articles have a link to their technical specifications, called "Technical Info." From here it is possible to add the articles to an order or to a pro forma by proceeding as follows:

**1- Select a finish for the product.** If you do not click on any, it is understood that the product with the finish indicated by default (in the square) is desired. If the product has no finish, the Marn Interior Diseño logo appears. When you click on the desired finish, the name appears below the date.

**N.B. PRICES MAY CHANGE IN ACCORD WITH THE FINISH CHOSEN.**

**2- Select a series and a fabric.** The fabrics are separated into series. First, select a series. The page reloads and you then select a cloth. If you do not click on a fabric, it is understood that the product with the fabric indicated by default (in the square) is desired. If the product has no fabric, the Marn Interior Diseño logo appears. When you click on the desired fabric, the name appears below the date.
